OFFICE OF THE MAYOR

January 28, 2018

Dear Friends:

On behalf of the City of Sugar Land, I am pleased to welcome back the 10th Annual USA Fit Marathon, Fort Bend Kia Half Marathon, and C & C Dental 5K to Sugar Land. I am delighted to hear that the event will take participants through the University of Houston Sugar Land Campus and into the beautiful tree-lined subdivisions of Avalon, Telfair & Riverstone.

I understand that this race is Sugar Land's largest, bringing in over 3000 participants and volunteers from across the region. I am honored you have again chosen our City as the destination to bring the USA FIT philosophy of fun and camaraderie to the marathon course.

We are proud to have this worthwhile event, also known as, "Fittest School Challenge", in our City. One of the City of Sugar Land's goals is to Support Community Events, Healthy Lifestyles and Festivals of Diverse Ages & Cultures. Your event embodies this goal and I applaud USA FIT for providing an opportunity for all athletes, no matter their pace, to come together and get the chance to enjoy the race experience.

We wish you a very successful event.

Sincerely yours,

Joe R. Zimmerman
Mayor
